

In memory of a great TMS Alumnus:
Professor Mesfin Wolde Mariam, 1930-2020

On behalf of TMS Alumni, the TMSANNA Board deeply mourns the passing away of TMS Alumnus, Professor Mesfin Wolde Mariam, affectionately called 'Gashe Mesfin', at the age of 90.

Gashe Mesfin unyieldingly played the role of Ethiopia's conscious during many Ethiopian governments standing firm for what he believed in and speaking truth to power no matter the consequences.

While difficult to enumerate the many attributes of Gash Mesfin, some that can be mentioned outright are; a steadfast human rights defender, great teacher, mentor, gifted, creative and disciplined writer, skilled speaker and a family man.

TMSAANA extends its deep condolences to Professor Mesfin's family and to all who will miss his sharp pen and animated wit.

May he rest in peace.
